MACTIER TROPHY at Portpatrick Dunskey

Format – Scratch two ball matchplay, team of 6

- A club team consists of 3 couples and a maximum of 3 reserves.
- All clubs (including those with a bye) should submit an envelope on the Monday evening prior to the commencement of play confirming the names, pairings and order of play for their team for the week - clearly showing first choice players and reserves.
- When submitting team details the word RESERVE must be noted against names where appropriate. The RESERVE must only play where the first choice player is unavailable.
- Those with a bye may submit their team in a sealed envelope to the Mactier host representative at the WLGA Anderson Trophy & Aitken Brooches competition on the previous Saturday to avoid having to travel to the course on the Monday. Please remember to write club name on outside of envelope.
- Envelopes for those playing on Monday are opened prior to play and the envelopes for those with byes are opened after play is completed on Monday.
- On each night prior to commencement of play each team captain should nominate a couple to go to sudden death should the match result require it.
- Matches conclude when the match is won rather than continuing through all 18 holes as in previous years.
- In the event of a conceded game the game is won/lost 18 holes up/down.
- In the event of a tie on games the match is decided on holes up/down. If the match remains tied the nominated couples play one or more holes on the same night until a winner is found.
- If a club is unable to field a team of at least 6 players the entire match is forfeited.
- Each club receives a bye on a 3-year rota.
- The WLGA Chairperson or host representative presents the trophy on the Friday night.
